INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Business and Professions Code Section 3510 authorizes the Committee to adopt, amend, or repeal regulations as may be necessary to enable it to carry into effect the provisions of the Physician Assistant Practice Act. The Committee is proposing the following change:

Adopt Section 1399.514.

Business and Professions Code Section 3524 provides that a renewal application shall be on a form provided by the Committee, accompanied by the payment of all accrued and unpaid renewal fees.

This proposal would also require that the licensee respond to a question included on the renewal form which asks if the licensee, since the last renewal, has had any license disciplined by a government agency or other disciplinary body; or, been convicted of any crime in any state, the USA and its territories, military court, or a foreign country. Convictions for infractions with a fine of less than \$300 would not need to be reported by the licensee unless the infraction involved alcohol or controlled substances.

Failure to provide all of the information required would render the application for renewal incomplete and not eligible for renewal.

This proposal will provide the Committee with an additional mechanism by which to receive criminal activity information about licensees.

Receipt of this information will permit the Committee to take appropriate disciplinary action against licensees in appropriate circumstances, thus, further enhancing the Committee's mandate of consumer protection.

The regulatory proposal affects physician assistant licensees. It does not affect small businesses.

Licensees are merely required to read the question and to check a box on the renewal application.

The following studies/relevant data were relied upon in making the above determination: None.

Impact on Jobs/New Businesses:

The Physician Assistant Committee has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The Physician Assistant Committee is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The Physician Assistant Committee has determined that the proposed regulations would not affect small businesses because it only affects individual licensees who are renewing their physician assistant licenses. Licensees are merely required to read the question and to check a box on the renewal application.

CONSIDERATION OF ALTERNATIVES

The Physician Assistant Committee must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
